WHAT

At TAMUhack, teams spend the weekend working on technical solutions to real-world problems. There's free food, free swag, and no experience necessary!

WHY

We want to help you turn your ideas into reality. We'll provide you with all the resources and mentors you need to work on something cool and learn new skills.

WHERE

This year, TAMUhack will be held at the beautiful Memorial Student Center, the heart of Texas A&M University.
